

RIVERTOWER

Rivertower- Rivertower is a 38-story luxury residential building containing 320 apartments with a through-block location between East 53rd and East 54th Streets between Sutton Place and First Avenue. The building was constructed in 1982, and represented Macklowe's first foray into large-scale residential development. The apartments feature spectacular river and city views and have benefited from a cycle of consistent renovation programs to ensure they are regularly updated with the most modern finishes, appliances and fixtures to appeal to the building's discriminating tenancy. Amenities include a 24-hour doorman and concierge, valet service, on-site parking garage, wine cellar and exercise facilities.
